1. SCOPE OF SERVICES. Subject to the terms and conditions of this TOS, WSDOT hereby provides Participant with access to a collection of resources related to the permitting of oversize and/or overweight vehicles through an interface with the eSNOOPI. Participant understands and agrees that the eSNOOPI may include certain communications from WSDOT, such as but not limited to, eSNOOPI announcements and administrative messages, and that these communications are considered a required part of participation in eSNOOPI, and that Participant will not be able to opt out of receiving such communications. Unless explicitly stated otherwise, any new features that augments or enhances the current eSNOOPI, including but not limited to the release of new eSNOOPI properties, shall be subject to the TOS. WSDOT may provide ...SNOOPI related training and technical assistance upon Participant request, to be scheduled at WSDOT convenience. Participant understands and agrees that the eSNOOPI is provided "AS-IS" and that WSDOT assumes no responsibility for the timeliness, deletion, mis-delivery or failure to store any Participant communications. Participant is responsible for obtaining access to the eSNOOPI, and that access may involve third-party fees (such as Internet service provider or
